

WELCOME TO LLDS GALAXY STARS!

Our fantastic combination CORE class for girls and boys aged 5 -7 years. Pupils in this class are normally in school Years 1 & 2.

What will my child be learning?

Pupils will build the foundations of dance in ISTD Ballet, Modern and Tap. Self-expression and creativity is encouraged as much as excellent technique and development of the work already learnt in Super stars. Classes will be structured and carefully planned to follow different themes each term. Pupils will follow progress charts towards the class goals and aims as well as receiving regular reports. Pupils have the opportunity to take the ISTD Primary ballet examination or have an in-house assessment to move up to Middle school when they are ready for the next level.

How long are the classes?

Classes are 75 minutes long enabling pupils to benefit from an exciting dance education.
