

WELCOME TO LLDS MIDDLE SCHOOL!

We are extremely proud that at LLDS all pupils are taught a well-rounded dance education, with combination classes in many different styles. Approximately at age 7 depending on previous experience you are ready to embark on your Dance Journey at LLDS with our CORE Dynamic and Classic pathways. Pupils follow through the grades by taking ISTD exams or in-house assessments. Pupils are encouraged to take both Dynamic and Classic pathways, but they can choose just one if preferred.

DYNAMIC STARS

Our Dynamic Stars program offers combination classes in **ISTD Tap, Modern and Jazz dance, with Musical Theatre** styles being introduced at the higher levels, these dynamic, lively classes create an all-rounded performer with the skills to take to the stage!

Learn the theatre performance styles that are danced from West End to Broadway and everything in-between, and develop your artistry and performance.

CLASSIC STARS

Are you a budding ballerina? Do you love to express yourself with music and movement? This is a beautiful class that combines **ballet, ballet repertoire and lyrical/contemporary**. It is for pupils who want to improve their classical technique and artistry, whilst exploring the freedom of movement and expression of lyrical contemporary dance.

Ballet repertoire will introduce pupils to the history of ballet and they will be taught sequences from the great Ballets, learning about music and costume too! As in Dynamic, pupils are encouraged to work towards ISTD examinations or our in-house assessments to progress through the grades. **Pointe work** – By Grade 4 pupils start to have pre-pointe training leading up to first Pointe shoes when they have been assessed and are considered strong enough to cope with the demanding skill of pointe work.
