

# WELCOME TO LLDS MINI STARS!

We are delighted to be able to offer two different classes suitable for our little pre-school dancers. We can advise you on which would be more suitable for your child, or why not do both!

Mini Stars classes are taught by our Studio Director, Miss Lovick!

## MINI ACRO STARS

Mini Acro Stars is a super combination of Pre-school ISTD Ballet and the Acrobatic Arts syllabus. We are one of the few UK providers of this amazing specialist pre-school Acro dance program. The syllabus is designed to introduce physical literacy, coordination, creative movement and basic acrobatic skills to young children combined with the strength and technique of basic ballet, this class is for active little ones who love to jump and move.

## MINI MUSICAL STARS

Mini Musical Stars follows the ISTD Pre-school Ballet and Modern syllabus with a focus on musicality, imagination and having lots of fun in the world of music and song. Along with our experienced pianist we will transport your child to another world with song and dance, exploring and creating a different theme each term. Classes are totally engaging and once they enter the dance studio, we transport them to our LLDS world of magic!
